

## Accutinter 8000Elite

Best for: High-Volume paint stores and manufacturers

The Accutinter 8000 Elite is designed for high-volume paint departments that need the fastest, most reliable, and highest capacity tinting solution.

*"We buy Fluid Management machines because they are very reliable, can deal with the high volume of product we go through here in this store, and are very self-sufficient."*

- Leading Paint Dealer

CANISTER CAPACITY:

# 1.5&5

Gallons

PUMPING SYSTEM:

DVX® technology –  
no valves

VOLUME: High

MAX FLOW RATE:

# 150

Oz / minute

NOZZLE CLOSER:

Automatic closing device  
with improved design for  
low-/no-VOC colorants

### KEY BENEFITS

#### SMALL FOOTPRINT

At just 45" wide x 43" deep, the AT8000Elite is the most compact high-end machine on the market.

#### SPEED

5-channel simultaneous dispensing allows you to quickly and efficiently service your customers!

#### ACCURACY, REPEATABILITY & RELIABILITY

Pump technology sets the standard for accuracy, repeatability, and reliability, ensuring that you provide customers with the right color every time.

#### ZERO/LOW-VOC COMPATIBILITY

DVX pump technology, combined with an automatic, air-tight nozzle closer, make the AT8000Elite compatible with Zero/Low-VOC colorants.

#### SELF SERVICEABILITY

A modular canister design and self-service tools, including step-by-step videos, help maximize uptime and greatly reduce the need for on-site service.

#### CONTAINER QUEUING

Built-in conveyor that can hold any container size.

## One-of-a-Kind Pump Technology

DVX® pump technology puts Accutinter dispensers head and shoulders above the rest:

- Robust construction eliminates component wear
- Valveless design eliminates need for annual calibration, and alleviates need for maintenance
- State-of-the-art electronics provide unmatched speed
- Builds on IDEX experience in designing durable and accurate pumps for health, fire, rescue applications

## Driven by ColorPro 4 Software

ColorPro 4 software optimizes the performance of your Accutinter dispensers:

- Automates paint tinting and record-keeping
- Reduces mistints through operator prompts
- Prolongs equipment life with maintenance recommendations
- Features friendly graphical interface

## Service and Support

Our customer commitment continues long after the sale with:

- Prompt installation and training
- 24/7 multilingual support
- Factory technicians in US/Canada
- Unmatched, factory-certified Authorized Service Network
- FM Direct Connect remote troubleshooting
- Preventive Maintenance and Extended Warranty programs
- YouTube channel with how-to videos
